

## How MH students get into INNA (the school's computer system)

Enter [www.mh.is](http://www.mh.is) and click on Inna under Nemendur (Inna entrance for students). Located to the right. You can also enter [www.inna.is](http://www.inna.is) directly:

On the INNA frontpage, you find few log in options on the right (INNSKRÁNING):

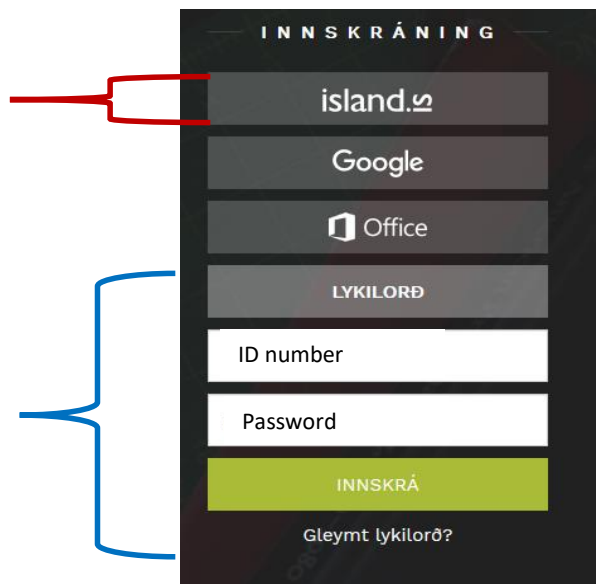

### For parents students younger than 18:

You need Íslykill (Icekey) or rafræn skilríki (electronic ID) to log in.

### For students:

You log in with your ID number (kennitala) and a password (Icekey/electronic ID also work).

To get your password the first time, click on "LYKILORÐ" and then "Gleymt lykilorð?". Enter your ID number. Please notice that your e-mail address must be registered on INNA already because your new password is sent there.

### Your INNA frontpage:

On INNA you have an overview of each semester, your timetable, all courses, homeworks, grades, etc.

You have access to your student record, attendance, all courses from previous semesters etc.

If you click e.g. "Modules" a drop down list appears, see next page:

If you click your picture, a drop down list with settings etc. appears, see page 3.

If you click on the > arrow, you see more detailed options. See next page.

Here you see all your Modules:

The screenshot shows the INNA interface with the 'Modules' dropdown menu open. The interface includes a top navigation bar with 'IS / EN', 'Timetable', 'Assignments/Exams', 'Modules', and 'Study'. The main content area is divided into three columns. The left column contains a 'Timetable' for Monday 19.11 and a 'To do list'. The middle column shows a list of modules with a red box highlighting the 'Modules' dropdown and its list. The right column contains various navigation buttons like 'New absences', 'Announcements', 'Homework', 'Survey', 'Exam', 'Projects', 'New Material', and 'Forum'. Below these are icons for 'HOMEWORK AND OBJECTIVES', 'MATERIAL LIST', 'ORDER OFFICE HOURS', and 'EXAM SCHEDULE'.

And here below you see how a drop down list opens:

This screenshot is similar to the one above, but it highlights the 'Modules' dropdown menu with a red box. A blue arrow points from the 'CHEM3CI07' item in the dropdown list to the 'CHEM3CI07' button in the right-hand navigation column, demonstrating how the dropdown list opens and how a selection is made.

If you click on CHEM3CI07 a new page for the course opens, see next page.
